Director Letter - 2020

Hey all.

The year has flown by and we are gearing up for another Kid's Fest!

The last day zone competitions can be held is February 23, 2020 and information should be turned in to me by February 26, 2020.

The dates for 2020 are March 6 and 7th. You can register for all entries at www.westexnaz.org.

TALENT FEE IS A FLAT FEE OF \$25.00. This amount covers all the participant's talent entries along with the 2-square-4/square, Pinewood derby, and mission projects, the festival t-shirt and LUNCH. If you are doing quizzing and talent there is a combo package for \$35.00.

LUNCH ON SATURDAY. There is a place for you to designate the lunch choice. The choices are hot dog or hamburger, chips, drink and dessert. When you register you will get a wrist band that you can use Saturday from 11-2. This option is available for parents, siblings and other adults. Please make sure the extra meals are added to your spreadsheet. **This year the meal choices will correspond with a colored wristband.** Blue wristbands for hamburger meals, green wristbands for hot dog meals. There won't be any exchanges at the food counter. This will help everyone get the meal they signed up for.

Any child participating at the zone level receiving a gold, silver or bronze medal will be eligible to compete at District.

Art participants need an originality statement with their project.

All performances (instrumentals, drama, vocals, speech, live puppets and sign language) must have copies of material to turn into judges at performance.

Please fill out the T-Shirt form and send it to me when you send your spreadsheet. This will help in getting the sizes you need.

The Church recap form will make sure that each church knows how much money they will owe at registration. You can return these forms to me by email, fax or snail mail.

Kid's Fest couldn't happen without all of you. I can't wait to see each one of you.

Let me know if you have questions. You can email, call or text me.

CHILDREN'S BIBLE QUIZZING/THE BOOK OF Genesis

It is time once again to begin getting things together to get the children started in the bible quiz program this year. Churches should order material. (See Below) Below is information for those churches that need to know more about the program and how to get started. It does not matter if you have 1 or 50 children that would like to participate, don't miss out on a wonderful opportunity to teach children God's word. E-mail me or call me if you have any questions. Please fill out the contact form so I can put you on my mailing for this year's calendar and invitational, zone, district and regional quizzing information. Let's get set up to have a bunch of invitational quizzes this year. I will be glad to assist if you need me to. I will be in touch once I receive your information back. **GET STARTED NOW**, God will bless you in many ways.

Chriss Burke (District Director) How Do I Begin?

1. Order Materials

Order the following Children's Quizzing materials from The Foundry Publishing, 1-800-877-0700 or [The Foundry](#)

- Studies in Genesis Leader books for teachers
- Studies in Genesis Pupil book for each child
- NIV Scripture portion for each child (we are using the newest translation so your kids may need this to have the same wording)
- Answer Boxes (enough for each child to have one for the quizzes)

2. Contact your district Children's Quizzing Director- Chriss Burke

Complete contact form(dates, times, locations, Bible studies covered at invitational competitions will be emailed).

3. Select a day, time, length (60 or 90 minutes), and location for your weekly Bible studies .

Determine if you will combine or separate the levels--RED LEVEL (beginning) and BLUE LEVEL (advanced).

4. Begin reading and planning the Bible studies.

Keep the focus on Bible study and learning Bible information.

5. Advertise the weekly Bible study

- Place information in the church newsletter and worship folder.
- Make announcements in children's classrooms and adult Sunday School classes.
- Send an invitation to each child in your church.

6. Present the information as a Bible study for children.

Children will need a Bible and study book. Include reading the study passages and discussion in your Bible study (Digsites and X Marks the Spot) time. *Involve all children in the Bible study. When competitions occur, allow children to decide if they want to participate in competition. The objective of Children's Quizzing is Bible study, not competition.*
