CHILDREN'S BIBLE QUIZZING/THE BOOKS OF I and II Samuel

It is time once again to begin getting things together to get the children started in the bible quiz program this year. Churches should order material. (See Below)Below is information for those churches that need to know more about the program and how to get started. It doesn't matter if you have 1 or 50 children that would like to participate, don't miss out on a wonderful opportunity to teach children God's word. E-mail me or call me if you have any questions. Please fill out the contact form so I can put you on my mailing for this year's calendar and invitational, zone, district and regional quizzing information. Let's get set up to have a bunch of invitational quizzes this year. I will be glad to assist if you need me to. I will be in touch once I receive your information back. **GET STARTED NOW,,, God will bless you in many ways.**

Chriss Burke (District Director)

How Do I Begin?

1. Order Materials

Order the following Children's Quizzing materials from the Nazarene Publishing House, 1-800-877-0700 or <http://www.nph.com> click on children and then quizzing

- Studies in I and II Samuel Leader books for teachers
- Studies in I and II Samuel Pupil book for each child
- NIV Scripture portion for each child (optional we are using the new translation so your kids may need this to have the same wording)
- Optional Resources are available from www.hideandkeep.com to help memory verses and scripture memory.
- Answer Boxes (enough for each child to have one for the quizzes)

2. Contact your district Children's Quizzing Director- **Chriss Burke**

Complete contact form(dates, times, locations, Bible studies covered at invitational competitions will be emailed).

3. Select a day, time, length (60 or 90 minutes), and location for your weekly Bible studies .

Determine if you will combine or separate the levels--RED LEVEL (beginning grades 1-3) and BLUE LEVEL (advanced grades 4-6).

4. Begin reading and planning the Bible studies.

Keep the focus on Bible study and learning Bible information.

5. Advertise the weekly Bible study

- Place information in the church newsletter and worship folder.
- Make announcements in children's classrooms and adult Sunday School classes.
- Send an invitation to each child in your church.

6. Present the information as a Bible study for children.

Children will need a Bible/Portion (above) and study book. Include reading the study passages and discussion in your Bible study (Digsites and X Marks the Spot) time. *Involve all children in the Bible study. When competitions occur, allow children to decide if they want to participate in competition. **The objective of Children's Quizzing is Bible study, not competition.***
