Who is eligible?

Pastors, please be selective in those you choose to apply for. Families that are in very difficult financial situations are who these scholarships are designed for. If your church has members that can contribute to help your kids get to camp or if you can encourage your families to fundraise please start there.

:

"Churches need to work together to help their children and teens get to camp. Lives are changed at camp and we believe churches need to come alongside their families to make camp a possibility for them."

Quien ese legible?
